UNITED STATES SHOWCASE & DANCE CHALLENGE

By-Laws Informal Not-For-Profit Association

- To provide a quality event platform for promoting growth and development in ballroom dance.
 - To challenge students to become better dancers.
 - To give each member an opportunity to grow their local ballroom dance showcase and dance competition event.
 - To enable members to network among each other and to also encourage participation from non-members.
 - To plan in advance an event calendar for the "Challenge" to be held in the designated city of the host member.
 - To promote greater participation from all members in order to encourage dance students to compete and perform their showcases by offering more reasonable entry fees.
